## PREFACE

Alhamdulillah, praise and gratitude be to Allah SWT who has given all His help, mercy, and love so that the researcher can complete the thesis entitled "An Analysis of Students' Speaking Anxiety in English Class After Online Learning at MTs Al-Hidayah Langan Jepara". Don't forget the blessings and greetings to Rasulullah SAW who has always been a source of inspiration and the best role model for mankind.

The implementation of online learning for almost 2 years has had an impact on students in English classes, namely students' anxiety in speaking English. After the implementation of offline learning is reopened, students are still carried away by the atmosphere of online learning. Their speaking ability is low due to the lack of practice speaking during the implementation of online learning. They pronounce words or sentences in English with hesitation, worry and nervousness so that the words or sentences spoken do not match the correct pronunciation. The volume of sound issued is also not loud. Based on this, the researcher is interested in knowing Students' Speaking Anxiety in English Class After Online Learning at MTs Al-Hidayah Langan Jepara.

The researcher realizes that many parties have provided support and assistance during the completion of this thesis. Therefore, the researcher respectfully thanks and prays that Allah will give the best reward. The researcher hopes that this thesis will be useful for readers. May Allah SWT always bestow His mercy and blessings on all of us.
