STATEMENT OF WORK'S ORIGINALITY

Hereby, I honestly declare that the undergraduate final project I wrote does not contain the works or part of the works of the people, except those which were cited in the quotations and references, as a scientific paper should. If my statement is not valid in the future, I absolutely agree to accept an academic sanction in the form of revocation of my paper and my degree obtained from the paper.

MOTTO

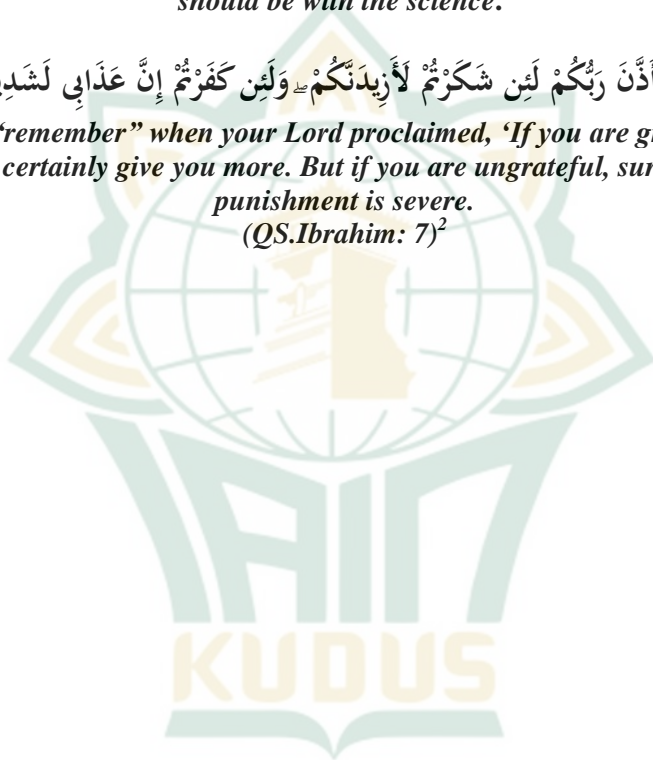

مَنْ أَرَادَ الدُّنْيَا فَعَلَيْهِ بِالْعِلْمِ، وَمَنْ أَرَادَ الْآخِرَةَ فَعَلَيْهِ بِالْعِلْمِ، وَمَنْ أَرَادَهُمَا
فَعَلَيْهِ بِالْعِلْمِ

Who wants the world to be with the knowledge, anyone who wants the hereafter then with science, and anyone who wants both of them then it should be with the science.¹

وَإِذْ تَأَذَّنَ رَبُّكُمْ لَئِن شَكَرْتُمْ لَأَزِيدَنَّكُمْ ۖ وَلَئِن كَفَرْتُمْ إِنَّ عَذَابِي لَشَدِيدٌ

And “remember” when your Lord proclaimed, ‘If you are grateful, I will certainly give you more. But if you are ungrateful, surely My punishment is severe.

DEDICATION PAGE

*This study is dedicated to:
Ummi and Abah
My brothers
My best friends*

ACKNOWLEDGEMENTS

First and foremost, thanks be to Allah, the Most Merciful, the Most Beneficent, for His grace and kindness bestowed upon me during my studies and completion of this final project. Then, best wishes and greetings to the wonderful messenger prophet Muhammad S.A.W. This work is a manifestation of the efforts that are continuously carried out and accompanied by prayers that continue to be said to Allah SWT so that he will always be given smoothness and ease. So I dedicate this work to people who are always present and give positive support to me in completing this final project:

1. Both of my parents, Ummi and Abah who never stop giving positive support to me and continue to offer good and sincere prayers for me so that I can be at this point, one of which can feel the sweetness of seeking knowledge in college. Thanks to the prayers and blessings of both of them, Allah made things easy.
2. My brothers Suli Yudi Hermanto and Ahmad Fauzi who made me strong and enthusiastic to continue living and achieving a better life in the future.
3. To all of my big family in Madura and Besuki, who also continuously pray for the best for me.
4. The teachers who have taught me a lot of knowledge from MI, SMP, and MA, to PTKIN levels. Hopefully, the knowledge that they gave to me will be a blessing and useful knowledge for myself and others.
5. Anisah Setyaningrum, M.Pd as the supervisor who has volunteered her time, ideas, and efforts to offering appropriate direction and guidance in the production of this thesis.
6. The Head Master of An Islamic Junior High School in Probolinggo who has been pleased to give permission to make the school as the object of research.
7. Abi and Ummi as caregivers of the Darun Najah Modern Islamic Boarding School who continuously motivate and provide direction for me to immediately complete this final project.
8. All my comrades in the Darun Najah Modern Islamic Boarding School who have been with me during the writing of this thesis.
9. My comrades in English Education Department at IAIN Kudus, who are both struggling to complete the final project. Destinia Yudiana, and others, thank you for helping me by giving spirit, prayers, and energy in completing this final project.
10. My beloved friend and sister, Ikmalus shalihah, thank you very much for your willingness to patiently accompany me to fight and never stop encouraging and persisting with me from the first time I

set foot in a Kudus until now. Many things we have been through, bitter, sweet, tears, and laughter, all of them are very precious and will not be forgotten.

11. A big thank you to all of you and people who care about me, who continue to pray for the best for me that I cannot mention one by one. Hopefully, this work can be useful for others and the advancement of science in the future.

PREFACE

Assalamu'alaikum warahmatullahi wabarakatuh

Bismillahirrahmanirrahim

Alhamdulillah, always grateful to Allah SWT. The Lord of the world who created all of His people with such very perfect provisions. The sprinkling of His love, compassion, mercy, and guidance has given strength, patience, health, and an unbroken spirit that is always blessed with knowledge and love that must exist in every human being. By the grace and ease that Allah has given, finally, this thesis can be completed properly and on time. Sholawat and greetings are always poured out to the great majesty of the Prophet Muhammad SAW, who has brought people from the stupid era to an era of knowledge with the religion of Islam. Hopefully later on the Day of Resurrection will be recognized as his people and get intercession from him, Ameen. Thesis entitled: **“The Use of Islamic Songs to Improve Students’ English Vocabulary (A Study at An Islamic Junior High School in Probolinggo)”** this project has been prepared seriously so that it fulfills one of the requirements to obtain a Bachelor's Degree (S1) at the English Language Education Study Program, Tarbiyah Faculty, State Islamic Institute of Kudus.

The researcher is fully aware that this thesis research will not be carried out properly without the help, advice, and direction of various parties, who have directly or indirectly provided material and spiritual assistance. For this reason, the researcher would like to thank:

1. Prof. Dr. H. Abdurrohman Kasdi, Lc., M.Si., as the Head of IAIN Kudus who has approved the discussion of this thesis.
2. Dr. M. Nur Ghufroon, S.Ag., M.Si., as the Head of the Tarbiyah Faculty IAIN Kudus who has provided direction on the writing of this thesis.
3. Taranindya Zulhi Amalia, M.Pd., as the Head of English Tarbiyah faculty IAIN Kudus who has provided direction regarding the writing of this thesis.
4. Mrs. Anisah Setyaningrum, M.Pd., is the academic adviser who has given me time, energy, ideas, and assistance in preparing my thesis.
5. The whole Faculty of English Education Department's instructors. May Allah SWT reward all their good actions with more than they have contributed and keep them safe at all times. Amen.

Finally, the researcher recognizes that there are several flaws and limitations in this theory. Therefore, constructive greetings from readers and educators are expected to achieve perfection in the future. For that, I

say thank you profusely. And hopefully, this work is useful for the development of science.
