## PREFACE

First of all, the researcher would like to thank Allah SWT for giving the blessing and the opportunity to finish the thesis in a healthy condition. Sholawat and salutation may upon the honorable prophet Muhammad SAW who lead us from the darkness to brightness.

Eventually, the researcher was able to accomplish the thesis entitled “The Implementation of English Songs on Spotify App in Improving Students’ Vocabulary Mastery in 9th Grade of MTs Nurul Islam Kriyan” to fulfill one of the requirements to acquire a bachelor’s degree in the English education department. In this research, the researcher focuses on the improvement of students’ vocabulary mastery through English songs on the Spotify app and also utilize the students to learn English by using digital music application such as Spotify.

From the thesis, the students could overcome their problems in vocabulary mastery of English. And implementing the English songs on Spotify will help them master the vocabulary from the song lyrics shown. Besides, the use of Spotify could make them more enjoyable, interesting, and fun in the learning process. Finally, the researcher hopes that this thesis will be useful for other researchers and readers.
