PREFACE

First and foremost, I would like to express my gratitude to Allah SWT for providing me with the ability to finish this research and for His mercy and blessing in doing so. Shalawat and salam are offered to our prophet Muhammad SAW, who has led us from the period of jahilliyah era to the Islamic era

This research is named “The Representation of ICT Competencies in the Textbook “Active English” for the Tenth Grade Senior High School: Published by Intan Pariwara”. In order to fulfill the requirements for the S1-degree in the Department of English Education at the Tarbiyah Faculty, State Islamic Institute of Kudus

The background of this research that technology development is quite rapid now, even in the realm of education, which makes the learning system collaborated with technology through teaching materials that have ICT competencies, and the writer found ICT competencies in teaching material located in a textbook titled “Active English”. One way to find out whether the ICT contained in the “Active English” textbook is in accordance with the theory of UNESCO ICT CFT (Competency Framework for Teachers) Version 3 2018 is to analyze it. The writer wishes that this research can make a useful contribution to collaborating between English learning and technology
