PREFACE

First of all, thanks to Allah SWT, who has bestowed upon me the blessings and grace to complete this research. May praise and greetings always be poured out to our prophet Muhammad SAW who has guided us from the jahiliyyah era to the Islamic era.

This study entitled "The Effect of Talking Stick Method to Develop Students' Motivation in the Giving Instruction Topic for 8th Graders at MTs Mazro'atul Huda Wonorengo Demak" is submitted as one of compulsory fulfillments of requirements for S1-degree of English Education Department at Tarbiyah Faculty of State Islamic Institute of Kudus.

The background of this research is the lack of students' interest in the learning process. A teacher must use appropriate learning methods to motivate and entertain students while they are learning. Therefore, researchers are interested in conducting research using the talking stick method. Finally, the researcher hopes that this research can be useful for researchers and readers.
