## PREFACE

First, thank to Allah SWT for His blessings and mercy so that researcher can complete this thesis. May praise and salutation always be upon to our Great Prophet Muhammad SWA who has guided us from the jahiliyyah era to the Islamic era.

This research entitled “Pancasila Values on the English Textbook *When English Rings a Bell* for Creating Students’ Character” is submitted as compulsory fulfillments of requirements for S1 – degree of English Education Department at Tarbiyah Faculty of State Islamic Institute of Kudus.

The background of this research is about the existence of Pancasila values in one of the English textbooks used in Indonesia. Learning a foreign language sometimes makes learners also follow the foreign culture. So the students need to be served the English textbook that still applies the ideology of the Indonesian nation. Ideology in English textbooks can form the character of learners based on the values of Pancasila. Finally, researcher hopes that this study can contribute to the use of English textbooks that still hold form to the ideology of the Indonesian nation despite learning foreign languages.
