I would like to dedicate this final paper to:

My beloved mother, Ibu Nur Khotimah and my beloved father, Bapak Mokhlas. Many times have I disappointed you, yet you still shower me with your infinite love, support, guidance, and advice. I know I will never be able to repay what you've done but I won't stop trying.

My little brother, M. Ulil Abror. You may have learned and take inspirations from me. But you may not realize that I too, learned a lot and took inspirations from you.

My lecturers and my friends at TBI IAIN Kudus, who have taught me lessons some of which I didn't realize I needed before.

And to my special someone, who has changed me into a better person. I'm looking forward to spending the rest of our lives together.
