Dear Umma Farida, Abdurrohman Kasdi, and Yuyun Affandi,

Please find attached the last review of your article titled, "The Economic Empowerment of Women in the Hadith and Its Application in Indonesian Context".

The article has been greatly improved and we are interested in publishing it in our May 2022 issue! However, it does need to be further copy-edited for English language errors as there are still quite a few errors throughout the manuscript. In the attached document, you will also find a few questions inserted as comments which we would like you to address.

Once these things have been done, we can slate your article for our May 2022 issue!

If you are interested in being published in our May 2022 issue, these final edits will be due by **February 28th**. We look forward to hearing from you.

Sincerely,  
...
