Hasil penelitian menunjukkan bahwa korelasi serta efektivitas tahfidzul qur’an sebagai pembentuk akhlakul karimah santri Putri Pondok Pesantren Sirajul Hannan, cukup banyak santri putri yang ikut kegiatan Tahfidzul Qur’an. kegiatan tersebut mammpu memengaruhi akhlak santri, menuju akhlakul karimah yang baik. Serta mampu meningkatkan kecerdasar intelektual serta spiritual yang terbentuk pada siswa. Akhlak yang baik mencerminkan tujuan hidup, motivasi serta manfaat yang menjadi kebanggaan tersendiri baik dirinya atau orang lain.

Kata Kunci ; Efektifitas, Tahfidzul Qur’an, Akhlak

ABSTRACT

The research entitled "Effectiveness of Tahfidzul Qur'an as an Effort to Improve the Morals of the Female Santri Sirajul Hannan Islamic Boarding School Jekulo Kudus" uses the type of field research "field research". With a descriptive qualitative research approach. The focus of the research used in this study is about the "correlation between Tahfidzul Qur'an and the morality of the female students of the Sirajul Hannan Jekulo Kudus Islamic boarding school and the effectiveness of forming the morality of the female students through Tahfidzul Qur'an at the Sirajul Hannan Jekulo Kudus Islamic boarding school". The purpose of this study was to determine the correlation between Tahfidzul Qur'an and the morality of the female students of the Sirajul Hannan jekulo Islamic boarding school, Kudus, and to determine the effectiveness of forming the morality of the female students through Tahfidzul Qur'an at the Sirajul Hannan Jekulo Kudus Islamic boarding school. The results of this study are Islamic boarding schools are the first and oldest education system in Indonesia. Islamic boarding schools provide an inspiration for the current education system. Like the Sirajul Hannan Jekulo Kudus Islamic Boarding School which has devoted and served for a long time and well.

The results showed that the correlation and effectiveness of tahfidzul qur'an as a form of morality for female students at the Sirajul Hannan Islamic Boarding School, quite a lot of female students took part in Tahfidzul Qur'an activities. These activities are able to influence the morals of students, towards good morals. As well as being able to increase the intellectual and spiritual intelligence that is formed in students. Good morals reflect life goals, motivations and benefits that become the pride of both themselves and others.
